Dear Sir:-

I saw Fred Sander of East Millstone who I was informed had driven a bus along Hamilton Avenue on the night of September 14, 1922 and had passed the entrance to DeRussey's Lane about 9:20 P.M., daylight saving time.

Sander informed me that he was driving a bus between New Brunswick and East Millstone in the month of September, 1922 and that Mr. Bennett was his employer. However, he claims that he was working on the day shift, leaving East Millstone at 7:30 A.M. and finishing there at 5:30 P.M. That on Saturday's an extra bus service was maintained and he made night trips.

That at that time there was one round trip made at night, the bus leaving East Millstone at 9:30 P.M. arriving at New Brunswick in time to leave there at 10 P.M. and getting back to East Millstone about 10:30 P.M. It is about a twenty minute run between East Millstone and the entrance
